

3AB Beginner Hebrew Intersession Assignment with Leah Berkowitz

During winter break the students will be reviewing everything that we have learned this half of the year. I really want to encourage all of you to try the online version of Shalom U'vracha, because it's fun and engaging. If you do not have access to a computer at the time, however, you can simply go back through the book because the lessons correspond to the ones on the website. Instructions on how to set up an account are listed below!

- The online workbook for Shalom U'vracha Primer Express may be found at <http://www.shalomuvrachah.com/express>
- When signing in for the first time, the serial number is GUGUMEZU and the customer number is 164787.
- When you register, you will be able to make your own user name and login.
- This provides a great way for your kids to practice their reading and to be able to see if they are right.
- Please give feedback about what think!
- Have a great break!

Parents--please sign off for every week of completed homework.
